

BOOKING AND SALES TERMS AND CONDITIONS

CAMPING USHUAIA VILLAGES LES MYOTIS ***

These general terms and conditions of sale aim to define the rights and obligations of the parties in the context of renting camping pitches and/or rental accommodations within our campsite.

By booking a pitch and/or accommodation at our campsite, you acknowledge that you have read and accepted these general terms and conditions of sale.

01 / Services

Camping Les Myotis offers:

Bare pitches for tents, caravans, vans or motorhomes.

The price of the stay is calculated based on a basic package which includes the rental of the pitch, the possibility for **1 or 2 people** to stay there, the installation of **1 motorhome, van or 1 vehicle with a tent or caravan**, as well as access to reception facilities, entertainment activities (some of which require an additional fee), and sanitary facilities.

Rental accommodations such as mobile homes, lodge tents, cabatentes and cottages. The basic package includes the rental of the accommodation depending on its capacity:

- 2 people for the **1-bedroom non-sanitary Home**,
- 4 people for the **Comfort Home, Comfort Home with air conditioning and lodge cabatente**,
- 5 people for the **cottages and lodge pilotis**.

The package also includes **water, gas and electricity charges**, parking for **one vehicle** (inside the campsite or in the external parking area), access to reception facilities, entertainment activities (some of which require a fee), and sanitary facilities.

Additional charges and services (electricity, extra person or tent, pets, options, etc.) not included in the base package may be added.

02 / Security Deposit (Damage Deposit)

A security deposit will be required upon your arrival at the campsite.

This deposit can be paid in two ways:

- by bank cheque
- or by credit card imprint

The amount is **€300**.

It will be requested following your reservation or upon arrival and will be returned at the end of your stay and **no later than eight days after your departure by mail**.

However, we reserve the right to retain part or all of the deposit in case of damage to the accommodation and/or its contents and/or campsite equipment. We also reserve the right to deduct **€80 for cleaning fees if the accommodation has not been cleaned** upon departure and **€65 if cleaning has not been done properly**.

A detailed inventory is available in the welcome booklet of each accommodation. The guest must check it and report any missing or damaged items within **24 hours of arrival**.

Cleaning must be done on the morning of departure:

- dishes washed and stored
- floor swept and washed
- sanitary facilities and toilets cleaned
- refrigerator and freezer cleaned and defrosted
- bins emptied and cleaned

If you have taken the **cleaning package**, dishes must still be washed and stored, floors swept, and bins emptied.

The security deposit does **not constitute a limit of liability for the customer**.

03 / Booking Conditions – Booking Fees

Reservations must be made by a contracting party **aged 18 or over with legal capacity**. The person must not be under guardianship or curatorship and must be present for the entire stay.

Reservations are **strictly personal** and may not be transferred or sublet without prior consent from the campsite.

The campsite will take your pitch preferences into account whenever possible but **cannot guarantee them**. If the requested dates or pitch numbers are unavailable, alternative solutions close to your request will be proposed.

04 / Rates, Tourist Tax and Eco-Contribution

Prices are indicated in euros, all taxes included (TTC) and do not include the tourist tax.

The VAT rate applied to accommodation is currently **10%**. Any change in this rate between the booking date and the stay will result in a price adjustment.

The campsite uses **dynamic pricing**, meaning prices may increase or decrease depending on demand. Therefore, different clients may pay different prices for the same stay. Clients who paid a higher price cannot claim a refund of the difference.

The **tourist tax** is collected throughout the campsite opening period. Its amount is determined per night and per **adult (18 years and older)**.

An **eco-contribution** is also charged per night, per person and per pet. This corresponds to environmental taxes related to natural resource use and waste treatment (wastewater, household waste, etc.).

Additional fees (extra person, vehicle, tent, pets, etc.) are **not included in the packages**.

Prices may change depending on economic and commercial conditions. The **contractual price** is the one stated in your booking confirmation.
